Running 101 Fitness Program

Make running an enjoyable part of your fitness regimen and healthy lifestyle!

**A 10-Week Fitness Running Program
Beginning September 12 & 14, 2016**

The primary objective of our program is to encourage more adults to participate in running to improve their overall physical and mental well-being. This program is ideal for adults with little or no previous exposure to running who wish to embark on a practical and sustainable running program. Running 101 is also beneficial to those looking to return to running after a layoff.

Over 1600 students have participated in our Running 101 program since 2002, making it one of the largest and most successful beginner running programs in the nation.

The 10 week program meets each week on either Mon 6:00 PM or Wed 9:45 AM (starting 9/12 or 9/14) at a convenient location in the Holmdel area.

The Running 101 Program is conducted by veteran coaches who are experienced in training beginner and novice runners:

- **John MacGillivray** has been training and coaching beginner and novice runners since 1993. He is a certified coach through USATF (USA Track and Field - the national governing body for track and field) and ASEP (American Sport Education Program - the coaching program required for all scholastic coaches in 45 of the 50 states.) Coach John is the 2004 recipient of the Fred Lebow **Award For Promoting Women's Developmental Running** presented by the Road Runner's Club of America and the New York Road Runners Club. Coach John is also a **Certified Personal Trainer** (AAAI).

- **Elaine Hartung** has been training and coaching beginner and novice runners since 1999. She is a certified coach through USATF and ASEP. Coach Elaine is also a **Certified Personal Trainer** (AAAI) and a **Certified Yoga Instructor**.

If you have any questions, please contact the coaches via email: **Run101NJ@AOL.com**. For online registration or more information on this program or our advanced level training programs, please visit **www.JMacRunning.com**.
